

SANJAYKUMAR S

Python Developer

Chennai, Tamil Nadu, India | +91-9841571817 | sivasanjay769@gmail.com | www.linkedin.com/in/sanjaykumar-s-1773923a5/ | <https://github.com/sanjaykumar251> | <https://sanjaykumar-portfolio-livid.vercel.app/>

PROFESSIONAL SUMMARY

Motivated fresher with hands-on experience building web applications and automation scripts using Python. Proficient in Django, REST APIs, and relational databases, with a solid grasp of object-oriented programming and data structures. Passionate about writing clean, efficient code and eager to contribute to a fast-paced development team as a Python Developer.

TECHNICAL SKILLS

- Languages: Python, SQL, JavaScript, HTML, CSS
- Frameworks & Libraries: Django, Bootstrap, NumPy, Pandas
- Databases: MySQL, PostgreSQL, MongoDB (basic)
- Concepts: OOP, Data Structures & Algorithms
- Tools & Platforms: Git/GitHub, VS Code

EDUCATION

B.C.A 2023 - 2026

Patrician College Of Arts and Science

Higher Secondary Certificate (12th Grade) 2020 - 2022

Chennai Higher Secondary School | Percentage: 68%

ACADEMIC PROJECTS

Explore – Travel Destination Platform

Tech Stack: Python, Django, HTML, CSS,

PostgreSQL

- Developed a full-stack Django travel web application with dynamic destination listings.
- Designed relational database models using Django ORM for efficient data management.
- Implemented dynamic image upload and media handling for travel destinations.
- Built a scalable Django backend with URL routing, business logic, and template rendering.

Resume Builder Web Application

Tech Stack: Python, Html, CSS

- Developed a dynamic web application that generates professional resumes based on user input.
- Designed a clean, user-friendly interface using HTML and CSS; implemented form processing logic in Python.

Verra Beauty – Beauty Services & E-Commerce Platform

- Built a full-featured beauty services and product management web application.
- Implemented user registration, appointment booking, product catalog, and fully responsive UI for all screen sizes.
- Developed a complementary Android WebView application using Kotlin in Android Studio.

CERTIFICATIONS

- Python Full Stack
- Data Analyst (Naan Mudhalvan)
- Python Web development (Naan Mudhalvan - online)

ACHIEVEMENTS & EXTRA-CURRICULAR

- Built and open-sourced 3+ Python projects on GitHub
- 1st Runner-up, College-Level Cricket Tournament
- Continuously learning Data Structures and Algorithms.
- Practiced DSA by solving coding challenges on Leet Code.
